SHIPPING & LOGISTICS

Every parcel labeled right — compliant, handled, and tracked.

Shipping consumables are pure velocity: every parcel, drum, and pallet needs a label, and the reorder never stops. RPI's shipping line moves over half a million dollars a year across hazmat, thermal, and handling labels.

$268K	$169K	$60K
hazmat labels, 24 mo	direct thermal, 24 mo	safe-handling, 24 mo

WHAT WE MAKE FOR SHIPPING & LOGISTICS

- **Hazmat & D.O.T. Shipping Labels**
  Every transport-hazard class, limited quantity, and write-in.
- **Direct Thermal Labels**
  Four stock sizes for every desktop printer, case-packed.
- **Safe-Handling Shipping Labels**
  THIS SIDE UP and DO NOT STACK — red arrows and symbols.
- **Made in USA Stickers**
  The origin claim buyers pay more for, in two formats.
- **Kraft Labels**
  Natural-look dots, circles, and sheets for e-commerce shippers.
- **Wafer Seals & Mailing Tabs**
  USPS-compliant tabs for folded self-mailers.

ASK FOR A SHIPPING SAMPLE KIT

Tell us what you ship — we match hazmat classes, thermal sizes, and handling labels to your dock, with case pricing.
